Traditional Artist Graphic Designer

Hello!

I'm Joshua Nieuwenhuis, a traditional artist and graphic designer from South Africa. I combine my artistic skills with visual communication to create illustrative stories. With experience in freelance and professional design, I specialise in illustrations, branding, motion graphics, and marketing materials, with a focus on impact and storytelling in each project.

Welcome to my portfolio.

Print Design

Print design is all about creating visuals that stand out on paper and leave a lasting impression. From eye-catching posters to informative brochures and impactful flyers, each design is crafted with precision to communicate your message effectively. Whether you need promotional material for an event, product, or campaign, these designs balance creativity with clarity, ensuring your audience connects with your brand both visually and emotionally.

Logo & Brand Identity Design

Your brand identity is more than a logo — it's how your business is seen and remembered. From simple essentials like stationary elements, to comprehensive brand systems including strategy and positioning, we provide scalable solutions for businesses at every stage. Whether you need a fresh identity, a rebrand, or a redraw of your existing logo, we'll help your brand look sharp, professional, and unforgettable.

Overview of Services:

- Logo Design/Redraw
- Logo Animations
- Brand Guidelines
- Stationary Design
- Rebranding

Packaging Design

Your packaging is more than just a container — it's the first impression of your product. A well-designed package not only protects what's inside but also tells your brand's story on the shelf and in the customer's hands. I create packaging that blends functionality with creativity, ensuring your products stand out and connect with your audience.

Overview of Services:

- Product Packaging
- Food & Beverage Packaging
- Retail Shopping Bags
- Custom Labels & Stickers
- Promotional Packaging

Digital Media Design

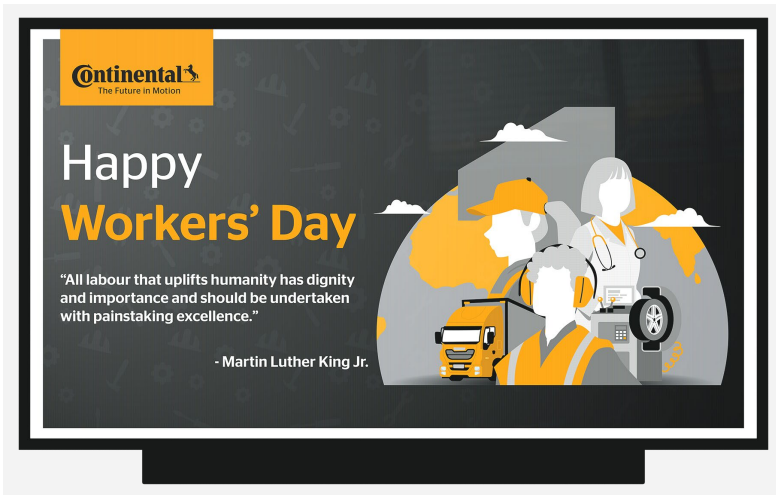

In today's fast-paced online world, digital design is where brands meet their audience daily. From scroll-stopping social media content to sleek webpage layouts, I create digital assets that not only look good but also perform well. My goal is to design visuals that are versatile, on-brand, and adaptable to the platforms where your audience lives.

Overview of Services:

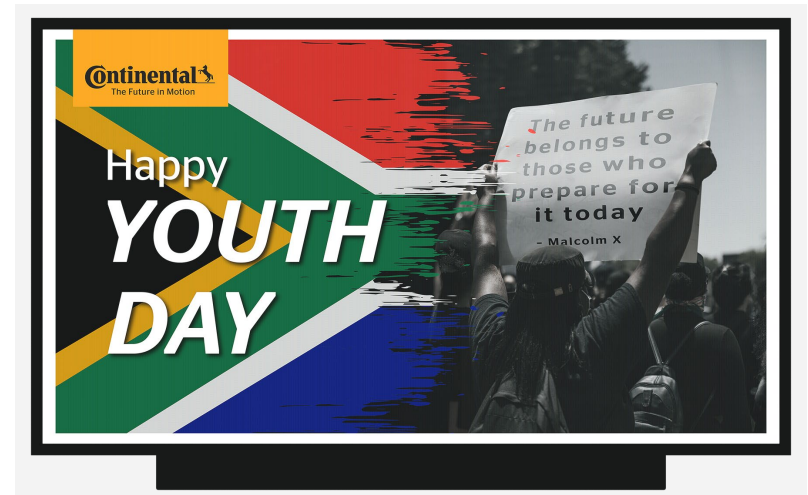

- Social Media Post Design
- Social Media Templates
- Web Page Design
- Digital Ads & Banners
- Presentation Templates

Character Design

Character design is one of my passion-driven services — it's where creativity meets storytelling. Whether you need a mascot to represent your brand or an original character for a story, I focus on bringing personality and life to every detail. From the first sketch to polished design, each character is crafted with intention and versatility so they feel real, relatable, and ready to be used across different mediums.

Overview of Services:

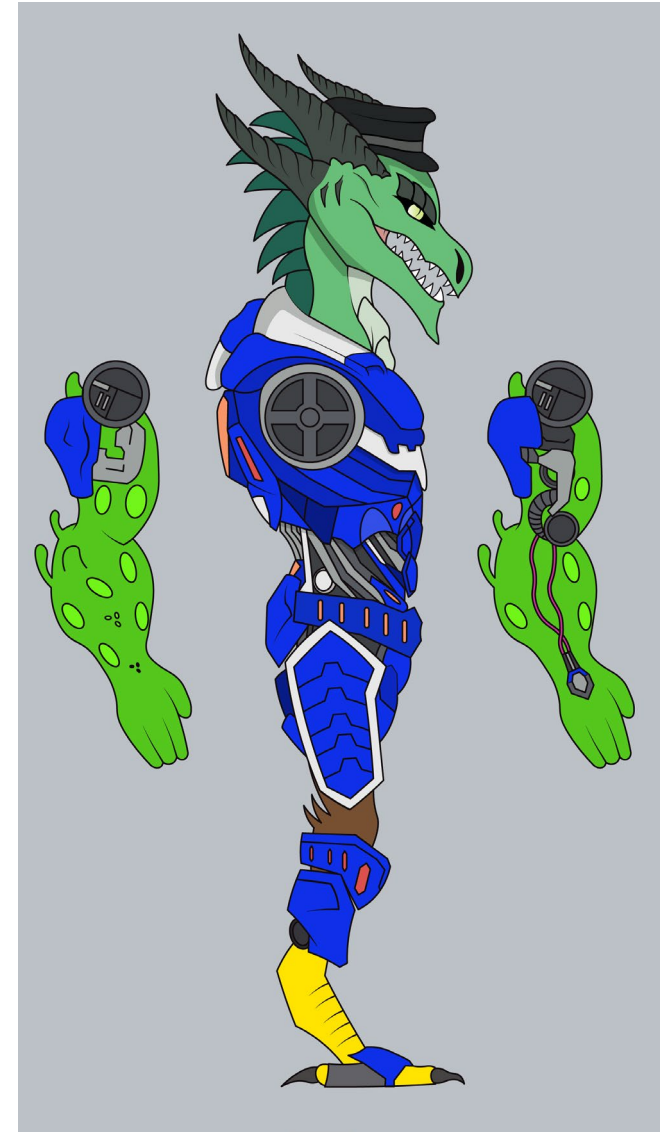

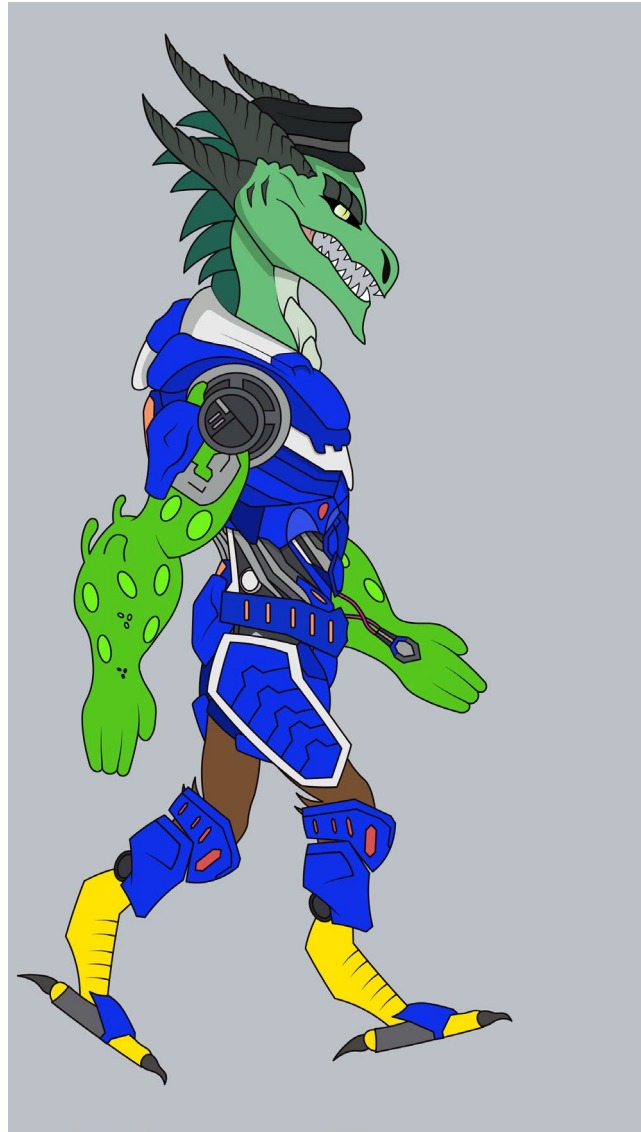

- Original Character Design
- Mascot Design
- Character Turnarounds (front/side/back)
- Expressions & Pose Sheets
- Character Sheets for Rigging

Illustrations & Drawings

Illustration is where my passion truly shines. From lifelike portraits to expressive character art, vehicles, and special themed drawings, each piece is created with care and intention. Whether it's for personal enjoyment, a gift, or something meaningful to frame and keep, I bring detail and storytelling into every drawing. With both traditional and digital mediums available, you'll receive artwork that's unique, timeless, and made just for you.

Overview of Services:

- Portraits
- Vehicles
- Special Themes
- Characters
- Digital Art
